STOP DISTRACTIONS.ORG
Changing Minds and Saving Lives

PLEASE JOIN US FOR A TOWN HALL MEETING

Clearing the Road Ahead

Hundreds of families across the state of North Carolina are impacted by distracted driving every year, and we encourage the Legislature to pass a statewide cell phone ban to hopefully prevent more tragedy and loss of life.

We invite you to hear from local and national experts about distracted driving, and examine whether changes to the state law would reduce the number of fatalities.

Wednesday, October 3, 2018 | 9:30 a.m. – Noon
16 West Jones Street
Legislative Building | Room 1027
Raleigh, NC
